

Honor code and authorship cover page

By submitting this assignment and signing or typing your name below, you attest to the following:
(Your professors also have to attest to these whenever submitting scientific work to IEEE journals.)

- ✓ I agree to abide by the McKelvey School of Engineering's Academic Integrity Policy and will not receive or provide any unauthorized assistance on this assignment.
- ✓ I have made a significant intellectual contribution to the theoretical development, system or experimental design, prototype development, and/or the analysis and interpretation of data associated with the work contained in this problem solution.
- ✓ I have contributed to drafting the problem solution or reviewing and/or revising it for intellectual content.
- ✓ I approve the final version of the solution as submitted.

Signed, Anny Qiao
